## **CATTS LABS & RESEARCH PVT. LTD.**

### **ABOUT US**

#### **Your TOTAL Laboratory Solutions**

Catts Labs & Research Pvt. Ltd a Govt. approved Testing Laboratory also an ISO (9001:2015) certified company , providing expert Chemical , Instrumental Analysis & Microbiological testing of Pharmaceuticals , Cosmetics , Ayurveda , Homeopathy , Water , Food & other related products and raw materials.

CATTS Group is led by a dynamic group of individuals with many years of experience in their respective fields. CATTS is headed by **Group Chairman Sh. J.S Chadha** , having vast experience & expertise of more than 4.5 decades in the field of analysis. It is state of the art analytical and research lab. with latest hi-tech. analytical equipment like **FTIR, HPLC, GLC, AAS, UV-VIS** etc. (from renowned global brands) and highly qualified & experienced technical personnel to perform tests to deliver precision & accurate test results CATTS continually invests in highly trained scientific staff, leading instrumentation and new methodologies to ensure high accuracy and efficiency.

**CATTS LABS** is recognized as a quality solution provider and partners with MNCs and leaders of various industries to provide solutions to their analytical problems. We are known in industry circles as a provider of quality services with the highest level of integrity and transparency. A loyal client base of satisfied customers ranging from large corporates, to academic institutions, to small and medium businesses, to government organizations and individuals are a testimony to our consistent performance.

From Pharma to tonics, energizers to food supplement, Ayurvedic to Herbal, from Food to agro products from Cosmetic to Moisturizers, soaps to lotions, CATTS LABS & Research pvt. Ltd is a trusted, unbiased and professional testing laboratory that can help you to prove the efficacy and safety of your products

**'TRUSTED ANALYTICAL & RESEARCH HOUSE'**

## **SERVICES WE OFFER:**

### **Drugs & Cosmetic Lab:**

Ours is a well equipped lab having latest instruments of international brands. The lab is headed by highly experienced & professional staff. Different sophisticated instruments include **UV-VIS, FTIR, GLC, HPLC & AAS (with VGA & graphite furnace)**. Apart from routine testing we do provide analytical solutions by carrying out Analytical Method Development & Validation for different products including **FAILURE ANALYSIS**. Tailor made Training Programs are also carried out apart from routine training to chemists for upgrading their skills.

### **Ayurveda & Homeopathy Lab :**

Testing for Ayurveda, Unani & Homeopathy Products & Raw Materials is being carried out under the strict vigilance of experts doctors in respective fields by using latest techniques.

### **Microbiology Lab:**

**CATTS** Labs now offers Microbiology Testing to fulfil QA/QC and regulatory requirements, to help our clients find the root cause of failures and to develop the next generation of products, coupled with our Chemical, Physical and Surface Analysis capabilities, the addition of Microbiology Testing means that we can now offer our medical device related, pharmaceutical and consumer healthcare clients all the testing, analysis and development they need.

### **Product Testing :**

Our accredited laboratories are equipped with state-of-the-art testing and analytical instruments to help manufacturers, importers and exporters understand their products and prove packaging claims. We test to industry standards using approved test methods and develop bespoke methods when standards are not available. We test products to provide detailed analysis for materials characterization, product development, quality control purposes and to prepare for regulatory submission, as well as support to achieve the rheology, stability and flow properties you need for complex formulations. With our support you can achieve a greater understanding of your product composition and performance. Scientific evidence is a powerful marketing tool for your products, and our claim substantiation services can prove product performance and help you support your advertising claims.

**'TRUSTED ANALYTICAL & RESEARCH HOUSE'**

### Failure Analysis :

CATTS Labs helps to determine the root cause of failures in your Pharmaceutical, Cosmetics, Ayurvedic, Food Products & packaging materials, our expertise helps to provide fast and effective solutions. We solve failures during and post manufacturing to help ensure your customers safety

### Analytical Training Services:

Training is the essential part of any industry. Particularly lab testing is the very crucial subject & there is hardly any or very few centers in the country which provides such trainings. Keeping in view the need of industry, we at CATTS LABS have devised various analytical training programs for fresh candidates to make them ready to be absorbed by industry for analytical work in the fields of Pharma, Ayurveda, Cosmetic, Food & food products & allied industries.

We also provide training to experienced ones to upgrade their skills to boost their carriers.

Industry specific dedicated training programs are also being undertaken to fulfil the requirements of industry.

### VISION:

**Presence of CATTS Labs offshore to provide the quality services worldwide & make CATTS Labs a global name in field of Analytical testing field.**

### MISSION:

**To create awareness among the masses about the importance of quality of products in day to day life of the society we live in.**

### Our Team :

The team behind the concept, performance & visualisation of the said mission consist of none other than the renowned **Mr. J S Chadha** a leading name in the field of analytical industry (as Group Chairman). having 45 years of wide experience along with **Mr. Manpreet Singh** having about 10 years of marketing experience & **Mr. Jagpreet Singh** an entrepreneur since 15 years.

Apart from these our team is studded with eminent scientist & research scholar to make the mission a success.
